Deloitte Corporate Finance LLC Advises HCS-Girling, Inc. (HCS-Girling) on its minority recapitalization by Guggenheim Partners, LLC.

Deloitte Corporate Finance LLC (“DCF”) advised HCS-Girling, Inc. (HCS-Girling or the Company)—a Brooklyn, New York-based home health agency operating five licensed Home Health and Home Care businesses that span the Certified Home Health Agency, Licensed Home Care Services Agency, and Consumer Directed Personal Assistance Program subsectors—on its minority recapitalization by Guggenheim Partners, LLC, an independent, privately held, and diversified financial services and investment firm established in 1999 and based in New York City, New York.

HCS-Girling is equipped with a founder-led management team that has deep industry experience, building the Company into a leading player in New York’s diverse home health and home care industries. The Company provides critical services to seniors, adults, and children.

“Guggenheim’s investment in HCS-Girling is expected to help catalyze the Company’s scale nationally as it positions itself as a diversified home care provider in a highly fragmented, dynamic home health sector,” said Newman Delany, senior vice president, Deloitte Corporate Finance LLC.
