Deloitte Corporate Finance LLC advised Rural Health Alliance, LLC on a recapitalization by Fast Pace Health, a portfolio company of Revelstoke Capital Partners.

[Deloitte Corporate Finance LLC](#) advised Rural Health Alliance, LLC (RHA), a leading operator of 15 primary care focused Rural Health Clinics, on a recapitalization by Fast Pace Health (Fast Pace). Fast Pace, a leading provider of outpatient health care services to rural communities (www.fastpacehealth.com), is a portfolio company of Revelstoke Capital Partners (www.revelstokecapital.com), a private equity firm focused on investing in health care services companies.

RHA provides walk-in primary care and integrated ancillary services, such as behavioral health, in Western and Middle Tennessee. The Rural Health Clinic (RHC) Program is intended to increase access to value-based health care services for underserved patients in rural communities. The combination intends to result in a leading, multi-specialty provider of rural health care and value-based care population health management services through a network of 170 clinics and over two million annual patient visits across the states of Tennessee, Mississippi, Kentucky, Louisiana, and Indiana.

“RHCs offer a compelling opportunity for rural health providers to establish and grow their presence in underserved areas. The partnership between Fast Pace Health and Rural Health Alliance will drive RHA to continue its strong track record of platform development through de novo and acquisition driven growth while expanding vital access to quality health care. RHA is a platform for driving positive change within rural communities,” said Doug Bolt, managing director, Deloitte Corporate Finance LLC.
