

## The Entrepreneur Summit presented by Deloitte Private

November 9, 2017 | Omni Frisco Hotel, Dallas, TX

Join highly successful business owners, the world's leading investor groups, senior executives, industry specialists, and M&A professionals for a unique networking event. This year's Summit will be held at the Omni Frisco Hotel, which is adjacent to The Star—the world headquarters and training facility of the Dallas Cowboys.

### The focus: Networking and insights

This one-day event offers privately held businesses the opportunity to engage in one-on-one meetings with approximately 150 investor groups—including private equity firms, family offices, and sovereign wealth funds. These investor groups collectively focus on all industries and investment types.

Attendees will learn more about the private equity alternative and receive specific insights from professional investors. Many companies view this event as a

business development opportunity, given that attending investor groups own portfolio companies in similar industries. Organizations with no near-term plans to transact will also find The Entrepreneur Summit to be a valuable learning and networking experience.

Deloitte will collect detailed, post-conference feedback from the investor groups based on every meeting they attend, and coordinate appropriate follow-up dialogue. All investor groups execute a non-disclosure agreement as part of the registration process. This precludes them from contacting companies after the conference without a specific invitation to do so.

### You'll be in good company

Last year's event brought together more than 600 private business owners, leading investor groups, senior executives, industry specialists, and middle-market M&A professionals.

### Event highlights

- **One-on-one meetings** between attending companies and relevant investor groups
- **Panel discussions** that address key issues currently impacting M&A activity and the capital markets
- **Guest speaker** David Feherty, writer/broadcaster with NBC Sports and the Golf Channel and former professional golfer, will bring his sharp wit and colorful personality to this year's keynote address
