- Samar has immense knowledge of IFRS, including the new standards, and specializes in their application to various industries including energy and resources, banking and financial sector, telecommunication, shipping, utilities and construction in Qatar.
- Samar has led various projects related to accounting advisory, including the implementation of the new standards, especially IFRS 15 and IFRS 16.

This presentation has been written in general terms and therefore cannot be relied on to cover specific situations; application of the principles set out will depend upon the particular circumstances involved. Deloitte & Touche (M.E.) (DME) or its affiliated entities would be pleased to advise readers on how to apply the principles set out in this presentation to their specific circumstances. DME accepts no duty of care or liability for any loss occasioned to any person acting or refraining from action as a result of any material in this presentation.

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited ("DTTL"), its global network of member firms, and their related entities. DTTL (also referred to as "Deloitte Global") and each of its member firms are legally separate and independent entities. DTTL does not provide services to clients. Please see [www.deloitte.com/about](http://www.deloitte.com/about) to learn more.

Deloitte is a leading global provider of audit and assurance, consulting, financial advisory, risk advisory, tax and related services. Our network of member firms in more than 150 countries and territories, serves four out of five Fortune Global 500® companies. Learn how Deloitte's approximately 280,000 people make an impact that matters at [www.deloitte.com](http://www.deloitte.com).

DME is a licensed member firm of Deloitte Touche Tohmatsu Limited (DTTL) and is a leading professional services firm established in the Middle East region with uninterrupted presence since 1926. DME's presence in the Middle East region is established through its affiliated independent legal entities, which are licensed to operate and to provide services under the applicable laws and regulations of the relevant country. DME's affiliates and related entities cannot oblige each other and/or DME, and when providing services, each affiliate and related entity engages directly and independently with its own clients and shall only be liable for its own acts or omissions and not those of any other affiliate.

DME provides audit and assurance, tax, consulting, financial advisory and risk advisory services through 25 offices in 14 countries with more than 3,300 partners, directors and staff. It is a Tier 1 Tax advisor in the GCC region since 2010 (according to the International Tax Review World Tax Rankings). It has also received numerous awards in the last few years which include best Advisory and Consultancy Firm of the Year 2016 in the CFO Middle East awards, best employer in the Middle East, the Middle East Training & Development Excellence Award by the Institute of Chartered Accountants in England and Wales (ICAEW), as well as the best CSR integrated organization.
