Digital transformation impact on Tax and Legal functions

The Power of *With*

Today, people are working *with* machines to harness data, automate execution of rote tasks, comply in real time, and free themselves up to add greater value within their companies.

That not only transforms how work is done, it also transforms the talent needed to do it.

Compliance *with* transparency.

Accuracy *with* speed.

Complexity *with* clarity.

One Young World

Two of our young professionals, Shuaa Alsubaie and Reem Abou Ibrahim, took part in the [One Young World](#) (OYW) conference in London last October 2019.

OYW convenes the brightest young talent from around the world to accelerate social impact. Delegates from more than 190 countries were counselled by influential political, business and humanitarian leaders and got the chance to be part of a yearlong leadership development program.
