## Business Rescue Management

### About the Forum:

The benefits of Business Rescue, as a mechanism to assist companies in distress. During the past four years, since the inception of this new restructuring procedure within South Africa, it is clear that this process can add real value to companies in distress if used under the correct circumstances and for the right reasons. We would like to share a few examples of what we have achieved to date within this industry.

### Speaker:

- Daniel Terblanche, Associate Director: Corporate Finance, Deloitte
