## Uber yourself before you get Kodaked

### About the Forum:

We are in the Digital Age, and every industry will be challenged, altered or disrupted by it. The sooner organisations understand this, the sooner they will have the opportunity to integrate 'digital' into the core fabric of their strategies in order to transform and future-proof their businesses. Are you ready to embark on this journey? At the intersect of Emerging and Exponential Technologies, Strategic and Innovative thinking, and Creative Design is Deloitte Digital, the stepping stone that assists clients to thrive in a world enabled by exponential technologies. Join Deloitte Digital and Innovation leader, Valter Adao, as he takes you through what it means to be a business that is 'digital at the core', how this transformation occurs, and why you can't afford not to.

#### Speaker:

- Valter Adao, Digital and Innovation leader, Deloitte
