## CPO Roundtable: #EndOutsourcing - A CPO Perspective

### About the Forum:

There has been much conversation around #EndOutsourcing, brought about by the #FeesMustFall campaign. To this point, we are hosting a conversational gathering to discuss pertinent issues facing Chief Procurement Officers and those who have been entrusted with the role of procurement within their organisations. In addition to this, we have partnered with strategic bodies: Smart Procurement and the Chartered Institute of Procurement & Supply (CIPS) to bring you the latest insights on the key issues affecting the industry in Africa.

We also believe that a broader discussion around location is required, and thus seek to engage procurement officers on how we can take advantage of these key drivers (i.e. language, time-zone and weak currency) making Africa an attractive destination for outsourced services.

Speakers include:

- Lerato Sithole, Director, Supply Chain Management, Deloitte
- Sandile Gwala, Director, Deloitte
- Andre Coetzee, Managing Director, CIPS SA
- Debbie Tagg, Chief Operations Officer, Smart Procurement
