Deriving value from your shared services organisation

About the Forum:

Organisations have been implementing shared services centres since the mid-1980s, but there is still much interest in the topic. Organisations are increasingly realising the strategic value of implementing shared services centres as well as reducing their cost base, improving controls and enhancing service levels. Our Shared Services and Outsourcing Advisory Leader, Vandana Ramani will aide attendees in unlocking value from their shared services organisation.

Speaker:

- Vandana Ramani, Associate Director, Deloitte
