## SWORN STATEMENT

---

I, the undersigned,

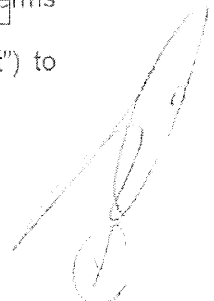

**DANIEL EDWIN SCHMIDHAUSER**

do hereby make oath and say that:

1. I am a businessman and the sole director of Schmidhauser Electrical Holdings (Pty) Ltd (registration number 2009/002480/07) with its registered address at 215 Orient Street, Arcadia, Pretoria, Gauteng ("the company").
2. The facts contained herein are within my personal knowledge and are to the best of my belief both true and correct.
3. I am duly authorised to depose to this statement on behalf of the company.

### The resolution

4. The company operates as a provider of electrical services to industrial and commercial customers.
5. The company's sole shareholder is the ~~Ubuntu Trust~~ ~~The Ubuntu trust~~ has two beneficiaries.
6. On 4 March 2016, the board of directors of the company resolved in terms of section 129(1) of the Companies Act No. 71 of 2008 ("the Act") to

voluntarily commence business rescue proceedings and to place the company under supervision.

7. This statement deals with the relevant facts on which the decision of the board to commence business rescue proceedings was founded.

The company is financially distressed – section 129(1)(a) of the Act

8. The company is financially distressed.
9. Its total liabilities are approximately R21 million, of which a substantial position is currently due, owing and payable.
10. A number of creditors have already proceeded with legal action against the company.
11. The company does not currently have sufficient cash-flow to settle the alleged indebtedness to its creditors.

There appears to be a reasonable prospect of rescuing the company - section 129(1)(b) of the Act

12. If the company is placed in liquidation, its assets will most likely be sold on a piecemeal basis and concurrent creditors will receive a negligent dividend.
13. However, if the company's business is sold as a going concern, or if the assets are sold, in business rescue, the company should have sufficient

funds to settle the full claims of the creditors, or at least a substantial portion thereof.

14. The company has already commenced negotiations with potential purchasers who are interested in buying the business of the company as a going concern, alternatively all of its assets.
15. The company is confident that an independent person, such as a business rescue practitioner, will be in the best position to negotiate with the potential purchasers. A business rescue practitioner will also be in the best position to consult with the company's creditors, its customers and its employees.
16. In this regard, the company currently employs approximately 150 employees in Cape Town, Johannesburg and Durban, all of whom will lose their work should the company be placed in liquidation.
17. In view of the above, the board has resolved that the company should be placed under supervision so as to provide it with an opportunity to formulate and implement a business rescue plan.
