

“Transforming lives in Africa”

Deloitte Development Africa (DDA)
at a glance.

DDA seeks to partner with donors
to transform the lives of all Africans.

Deloitte Development Africa is a business unit within Deloitte with a specific focus on international development in Africa.

By partnering with donors we aim to transform the lives of all Africans for the better. We pride ourselves in being an African organisation that truly understands the needs of the continent and who are committed to effect change. Our team’s expertise spans multiple sectors including Health, Infrastructure and Capital Projects, Government and Civil Society Capacity Building.

Deloitte’s African Footprint

Our extensive footprint in Africa enables us to clearly understand the issues affecting the continent and provide relevant solutions:

- In the African continent Deloitte has physical presence in 34 of the 51 countries that it services
- DDA is focused on servicing the Anglophone community and as part of the wider global Deloitte network we collaborate with all other member firms to exploit synergies
- Our presence in African countries enables us to have a better understanding of the needs of each country and how best they can be served to improve livelihoods

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee (“DTTL”), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as “Deloitte Global”) does not provide services to clients. Please see www.deloitte.com/about for a more detailed description of DTTL and its member firms.

Deloitte provides audit, consulting, financial advisory, risk management, tax and related services to public and private clients spanning multiple industries. With a globally connected network of member firms in more than 150 countries and territories, Deloitte brings world-class capabilities and high-quality service to clients, delivering the insights they need to address their most complex business challenges. Deloitte’s more than 220,000 professionals are committed to making an impact that matters.

This publication is for internal distribution and use only among personnel of Deloitte Touche Tohmatsu Limited, its member firms, and their related entities (collectively, the “Deloitte Network”). None of the Deloitte Network shall be responsible for any loss whatsoever sustained by any person who relies on this publication.
